## About Mahoning Valley Electrical Contractors

Mahoning Valley Electrical Contractors (MVEEC) is a professional organization of the region's world-class electrical contractors, serving Northeastern Ohio, Western Pennsylvania and beyond.

MVEEC contractors are experts in **Commercial**, **Industrial**, **Green** and **Residential** electrical construction installations and maintenance.

Primarily, MVEEC promotes the regional electrical industry while providing its membership with educational opportunities and the regional electrical workforce with certified and accredited apprenticeship- and upgrade-training programs.

MVEEC is affiliated with the Mahoning Valley Chapter of the National Electrical Contractors Association, or NECA, which for over 100 years has been at the forefront of the electrical industry in training, research, technology and standards development.
